DECEMBER 2024 LIFE UPDATE

Hello and welcome to my first update!

Let's do a recap of where I've been and what I've done since moving from Minnesota to Oklahoma in 2022! Then we'll get a sneak peak at what's upcoming this year!

The first move!

Back in August of 2022, I moved to Oklahoma from Minnesota to attend Rhema Bible Training College (RBTC). I moved into Rhema's student housing which is a short walk across the street from the school. The first 2 years went quickly at RBTC, throughout which I volunteered as a student ambassador helping with recruiting. I also took part in being a student usher, and volunteering in Rhema's Word Partner Club doing data entry. I completed the school's 2-year Ministry Fundamentals program, and I'm now taking their Advanced Course: Rhema School of World Missions

World Missions? Whatttt!?

That's right, since attending RBTC I've felt a call to foreign ministry, particularly in Asia with a focus in Japan. We will talk about what I've done so far in that continent and what I have planned!

What's Happened So Far?

After my first year at RBTC, I had the extraordinary opportunity to go to Japan on a short term missions trip. I originally planned to go with a group but after I bought my ticket the date was changed, I contacted the pastor we would be visiting and he was more than happy to host me solo! That trip was my first experience on the mission field, and I loved it. I was given the opportunity to be on the worship team, and even taught a Sunday service (with the help of a translator of course)! I also got to visit Mt. Fuji and many other cultural sites during my free time. During my trip to Mt. Fuji, I biked 46 miles on a path around the mountain! Ministry in Japan can be difficult as there is a stigma of cult-likeness around Christianity. As such, getting first time guests to attend a service or even an event held inside a church building is a challenge, but with the help of the Holy Spirit, it can be done! What's Next?

I have the privilege to participate in a 30 day mission trip in Hong Kong this spring. These trips are a part of the Rhema School of World Missions curriculum, and our class is going to many sites all over the world. I will be under the ministry of China Missions while in Hong Kong. The focus of their ministry is the upcoming generation and reaching areas in mainland China where the name of Jesus has yet to be heard. Find out more about China Missions ministry here:

How Can You Help?

Please pray that my upcoming mission trip to Hong Kong would be fruitful!
