

TYLER TETRAULT

2025 UPDATE

Left to Right: Sebastian Hope, Tyler Tetrault, Rachael Coats

Guess who's back?

I've returned from my internship in Hong Kong, graduated from Rhema School of World Missions, and temporarily moved back to Minnesota! In this update I'll go into more details on those exciting events, and give you an idea for what's ahead.

Hong Kong

I had the amazing opportunity to take part in a 4-week internship with China Missions headquartered in Hong Kong. I went alongside 2 other missionaries, Sebastian Hope and Rachael Coats (pictured above). During the internship I took part in weekly church setup and teardown, was a leader in the Sunday children's classes, participated in Easter Sunday outreaches, and scanned books to PDF (for cross-boarder delivery via USB). I learned many valuable techniques and values under the great leadership of China Missions. If you or anyone you know is interested in helping out as an intern with China Missions they are accepting applications. (<https://chinamissions.org/internships/>)

I Graduated...

That's right, they actually let me graduate! Thank you to Rhema and the wonderful time I enjoyed studying the Word of God there. Since graduating RSWM I've moved back to Minnesota. I'm serving at my local church where I help out on the worship team playing piano, alongside occasionally helping out the media team with some drone photography.

Easter Lunch with the Fischer team in Hong Kong.

How Can You Help?

In 2022, the number of religious adherents affiliated with Christianity in Japan amounted to approximately 1.26 million people (about 1% of Population). The number of Christians decreased compared to around 1.97 million people from the previous year (Source: <https://www.statista.com/statistics/651172/japan-number-christian-adherents/>). It's estimated that 95% of Japanese people have never heard the gospel of Jesus Christ. We are going to change that.

There is a desperate need for evangelization, discipleship, and empowering native Christian leaders in Japan. If advancing the Gospel of Jesus Christ in Japan is something you'd like to see happen, please consider these ways to support our organization:

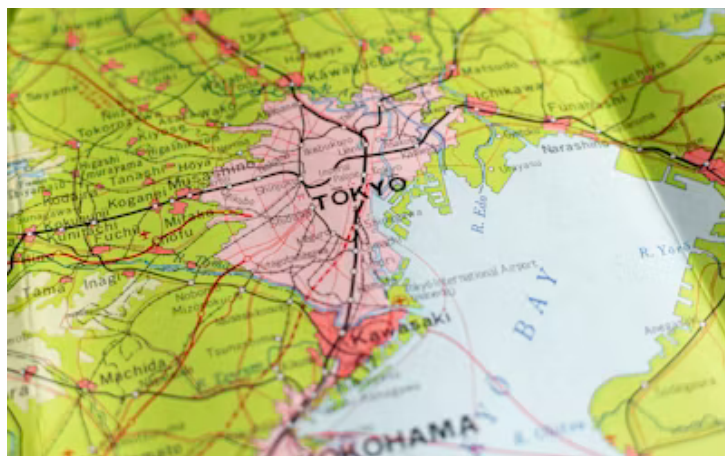

- Become a prayer partner
- Become a financial donor
- Become a laborer, the harvest is plentiful!

Now What?

Rhema's summer camp meeting in Tulsa, OK just happened and I got to enjoy it full force! Along with meeting old friends, I made many new connections with leaders and ministers, one of whom I'll be seeing in Japan when I get there! It's amazing how God can connect two people on the same mission. In August I had the privilege to attend the International Maxwell's Conference in Orlando. Which provided exceptional leadership training, and was another great opportunity to connect with local and international influential leaders and ministers.

Looking in the not too distant future, I will start my long term mission to Tokyo, Japan in March, 2026. I will be helping at the Word of Life Tokyo Church by teaching English classes as a form of outreach, becoming an instructor at Word of Life Bible School Japan, playing piano on the worship team and assisting in any church maintenance. While doing all this, I will also be attending 2 years of language study at Jet Academy, a specialized language school in Tokyo.

I've received the IRS approval of my 501(c)(3) which allows Japan Missions to start receiving tax deductible donations, along with opening up many opportunities to partner with businesses and church organizations. Finally, my organizations website is complete, hosted at japanmissions.org. Feel free to check it out!
